Superintendent’s Report – Robert Miller

1. Crazy busy time of year in office. Continuing work on possible SRO. Just received info on possible grant, but don’t know if you can use two grants to fund.
2. Alumni Football Game – no guarantee from company that they would be able to recondition the helmets and get them back to us by August for start of school football season. Alumni were very understanding.
3. Section VI appeals – we received a letter back in March with the section’s proposed changes to the bylaws. They would need 2/3 approval from school districts to pass. ECS will vote “NO” as they want to start charging \$300 to hear an appeal and another \$300 if we contest their decision. There could also be fees charged to cover court fees, depending on how far the appeal goes. Erin Cornelius asked how often an appeal happens. Superintendent Miller stated that once since he has been superintendent and a couple of times when he was principal. Superintendent Miller stated district’s are already charged a fee to belong to the section and he is not in favor of having to pay for an appeal.
4. Working on negotiations, budget newsletter articles and budget presentation.

Buildings, Grounds & Transportation: Capital Project Updates

Transportation: Trying to figure out where they want us to go with the Electric School Busses. More info to follow.

Buildings & Grounds – part of Phase II is putting in new tanks. A lot of work was done indoors over break – U&S was here working on door locks. Construction Meeting was held prior to break. Much discussion regarding Phase II. We will be going with a third party to review, which will get it through at NYSED much quicker, since they are so far behind. It will be busy again this summer, roof over new loading dock and new floors in the elementary.

Discussion Items:

Draft 2022/2023 School Year Calendar: The proposed calendar meets NYS requirements for student days. One thing different this year is two staff development days prior to Labor Day and no staff development day in October. Students would not start school until after Labor Day. We will share with the Unions tomorrow.
