*Drama Club to Perform*

## 'THE SOUND OF MUSIC' MARCH 25-26<sup>TH</sup>

Mark your calendars for Friday & Saturday, March 25<sup>th</sup> & 26<sup>th</sup> @ 7:30 pm!!! The Ellicottville Central School Drama Club will be presenting *The Sound of Music* on stage in the Salamanca High School Auditorium. The musical is directed by Mrs. Jaye Zelko, vocal director, Mrs. Pat Waldron and produced by Mrs. Crystal Wilder.

Students performing are: Olivia Harris as Maria; Josh Bower as Captain Von Trapp; Elizabeth Wendel as Liesl; Liam O'Rourke as Friedrich; Hannah Doro as Louisa; Max Paddock as Kurt; Aemile Donoghue as Brigitta; Kayleigh Hunt as Marta; Shelby Toth as Gretl; Kristen Hall as Mother Abbess; and filling in the rest of the cast are, Sam Brooks, Bre Coolidge, Courtney Antholzner, Noah Butler, Natalia Palombi, Calum Watt, Ciara Peters, Jocelyn Steffen, Adam Hiller, Stone Wilson, Alex Delity, Annie Prentice, Hunter Steffenhagen, Quinn O'Rourke, Lindsey Roblee, Cedella Sergel, Maria Baransky, Emily Uhrinek, Alessia Filutze, Molly Woodarek, Katie Barry, Maddie Harris, Sidney Smith, Kaitlyn Smith, Olivia Venezia, Madison Swalcy and Nick Delity.

*The Sound Of Music* was the final collaboration between Rodgers & Hammerstein and was destined to become the world's most beloved musical. Based entirely upon the true account and experiences of Captain and Maria Von Trapp and their seven children, this musical struck a nerve in the free world with its powerful message of love and their fight for freedom. While Maria is in the convent, her love of freedom makes it obvious to her superior's that she is not suited for religious life. Therefore, she is dispatched to serve as the governess for the seven troublesome children of the wid-

owed naval Captain von Trapp. Thus, she is sent off to be the governess to Captain von Trapp's seven troublesome children. Unlike previous governesses, Maria becomes friends with the children due to their mutual love of music. Soon, even the strict Captain begins to admire Maria. Eventually, the Captain and Maria fall in love and are married. Unfortunately, when the Nazis invade their homeland, Austria, the whole family is forced to flee over the alps to escape. The family's narrow escape over the mountains to Switzerland on the eve of World War II provides one of the most thrilling and inspirational finales ever presented in the theatre. The motion picture version remains the most popular movie musical of all time.

We hope to see you in the audience ... don't miss out on another exciting production from our very own ECS students! Tickets will be on sale at the door for \$6 and presale from drama club students.

# Budget News ... NO HELP IN SIGHT

By Mark J. Ward,  
Superintendent

By now I am sure that you are well aware of the bleak outlook facing all schools across the state. Ellicottville will not escape the impact of the reduction in state aid and the ever increasing cost of mandates, retirement, health insurance and the many other areas of the budget that are experiencing increases.

With the increases in the general budget pegged at around 3.5% that amounts to roughly \$374,000 coupled with a loss of \$416,434 (12.87%) in state aid, this year's budget will be experiencing deep cuts in many areas. Keep in mind this is nearly \$800,000 that has to be accounted for and there are really three ways to address it: increase in taxes, budget cuts or the use of reserves. Our district can raise approximately \$56,000 for every 1% increase in the tax levy so in order to make up this difference in taxes we would have to increase the tax levy by over 14%. This is simply not going to happen, so we will have to make major cuts across the board to reduce the gap. We will also use a limited amount of reserves.

While we are still continuing to work on the budget, we are looking to

reduce costs in every area. Whether it is transportation, cafeteria services, instruction, supplies, textbooks, workbooks, field trips, energy use, conferences/professional development, student programs, staffing levels, technology support or athletics it is predictable that there will be noticeable differences from this year to next year.

I can assure you that no area of the budget will escape review and in depth scrutiny. We must find ways to be more efficient with the resources that we have. We will have to make some very difficult choices. What makes this situation even more difficult is the knowledge that this is not a one year event. That is why we need to make some major adjustments to how we do business knowing that additional revenues are not coming. The Governor and Senate are also advocating for a "tax cap." Let's face it none of us want to pay more taxes and it goes without saying that New York State taxes property owners more heavily than most places in the United States. However, limiting the ability to tax without reducing and/or eliminating state mandates is a formula for disaster.

From my perspective the most frustrating part of this situation is the failure of the Governor or the State Legislature to address the expenditure side of the budget. Cutting revenues (state aid) to schools is one thing, and, given the eleven billion dollar deficit we have, it is understandable that cuts have to happen. However, the real problem rests with the fact that nothing has been done to help us on the expense side of the budget. There are a number of mandates that cost school district's thousands of dollars that we have absolutely no control over. While it has been talked about for nearly two months, nothing has happened with the idea of freezing the salaries of all state employees, including all school district

employees for one year. That action would have an immediate impact on every school district in the state. In Ellicottville it could roughly translate to a 3.5% reduction in expenses for 2011-12, which would greatly lessen the cuts that will have to be made. If there are no substantial changes in the budget numbers from Albany, districts like ours will:

- see class sizes rise
- offer less educational experiences
- lose staff
- possibly eliminate some of the elective programs and courses
- reduce athletic opportunities
- be unable to keep pace with technology updates
- reduce the special opportunities and field trips
- need to make do with less.

Can we survive this? Yes, we can and we will, but things will be different.

We will be asking our teachers and staff members to do more with less, and they have already risen to the challenge by slashing their budgets, volunteering to share supplies and making suggestions on how to trim costs. The situation we are in across New York State has been building over the past twenty years and it will not go away over night. Ellicottville Central School has operated as a very fiscally conservative school for many years while maintaining a quality yet affordable education for our students and taxpayers. As we look to the future, we must get use to a leaner or even more cost conscious operation.

While the Board of Education and administration are still working on the 2011-12 budget, I can assure you that it will represent a reduction in services, opportunities and some different approaches to doing business. As I said last month "business as usual" will not be possible and next year's budget will clearly reflect that change.

## 29 Washington Street - 'Sugar Bowl ... and many others!'

In 1876, **Charles McCoy Grocery Store** was opened on this landmark corner and ran until 1887. Robert H. Shankland had his newspaper (**Cattaraugus Union**) office in the second floor in 1876.

By 1896, the building was called the **Thomas Kelly Saloon** and near the turn of the century **Churchill's Confectionary**.

In the early 1900's arguably the most famous and recognized name for the corner spot was established by it's owner Spiros Geikas, called the **Sugar Bowl**. It became known as the gathering place in town for nearly 70 years! Generations of Ellicottville locals have fond memories of the time they spent there. Ownership changed to Mr. and Mrs. Balasis and Charles and Helen Liarokos until 1957 when Helen and Art Nitsche took over ownership.

The Sugar Bowl was open every day from 6 AM to 9:00 PM and it was not only a restaurant but also had magazines, health and beauty aids, homemade cookies, homemade candy and "personalized" daily newspapers. The ice cream soda fountain was a great hit throughout the years. Of course, who could forget the Juke Box, foosball and shuffle board. For those of us 45 or older, when you think of flavored cokes, milkshakes, penny candy and good old fashioned hamburgers, fries and plenty of stories and good times ... the Sugar Bowl was the place! The Sugar Bowl closed forever in 1975.

The building was bought by Chris Rounds for storage. Gary and Sharon Mathe opened **Soft Technology** in 1976 but the store closed about a year and a half later. Since then the list of changes is lengthy: from 1980-83, a **Pet and Aquarium Store** was there; from 1983-88, Pat and Charlie Perks operated the **Bargain Bowl**; Ellicottville Aqua Leisure sold hot tubs in 1991; Judy Irish had **Irish Art Antiques** from 1995-2001; **Aardvark Furniture Design** (2001-04); **Pathway Books** (2004); **Moody's Café** (2006); closed briefly and later opened up by **The Real Estate Group**; **Few of a Kind**; **Italian Jewelry and Fine Arts Gallery** occupy the corner today.

## HELP US KEEP GLOBAL CONNECT UPDATED

The Ellicottville Central School District utilizes **Global Connect** to send important announcements to parents and staff. The effectiveness of the system is based solely on the accuracy of the information provided for input. If your telephone number has changed or any of your child's emergency contact phone numbers have changed, please inform the school (elementary office 699-2318 or middle school/high school 699-2316). To insure prompt notification, it is vital that we have accurate information on hand. Please note, cell phone numbers that answer with a musical wait time cause delays to the entire system. Thank you!

## *Five Teams Gearing up for* **ODYSSSEY**

Five Odyssey of the Mind teams will represent Elliptonville Central at the regional competition on Saturday, March 12<sup>th</sup> at Wellsville Central School. These teams have been preparing since November to showcase their solution to their chosen problem and compete against other schools within Cattaraugus and Allegany counties. They represent the elementary, middle and high school divisions. Over the years our teams have done very well and have advanced to the state competition held at the University at Binghamton. We hope to continue that success on March 12<sup>th</sup>.

Three of the teams, in different divisions, have selected the same problem called “As Good as Gold...berg” (Problem 2). An elementary team coached by Mrs. JoAnn Kurtis, a middle school team coached by Mr. Paul Timkey, and a high school team coached by Mrs. Colleen Bower will display their technical knowledge and interpretation of a “Goldberg” contraption. These teams must present an uncomplicated existing item that is used in a simple and effective way to com-

plete a real life task. The team will create a device made out of a complex series of components that will perform the same “real life” task. As a creative take, the team will also include an inventor of this device and a marketing plan or a “sales pitch” for its creation.

**Middle School Division – Problem #2 – As Good as Gold...berg:** (l-r) Eli DeChane, Parker Rieman, Will Timkey, Robert Spell, Ben Marsh, and Liam Watt. Missing from photo – Victor Rieman.

de: (sitting, l-r) 5<sup>th</sup> graders - Mitchell Sexton, DeChane and (standing, l-r) 5<sup>th</sup> grader Walter Chamberlain.

Elementary Division – Problem #2 – As Good as Gold...berg: (front, l-r) 4<sup>th</sup> grader - Meganne Chapman, 5<sup>th</sup> graders - Mickala Michael, and Lisa Krotz and (back, l-r) 4<sup>th</sup> grader – Brennen Finn, 5<sup>th</sup> graders – Jackson Bacon, Griffin Chudy, and Zachary Kurtis.

## KEY OF THE MIND COMPETITION

An elementary team coached by Mrs. Lynette Sexton and Mrs. Shannon Palmatier, will compete in the classical problem entitled “Le Tour Guide” (Problem 3). This problem involves an original performance where a classical character acts as a Tour Guide. The tour will make

three stops including one that will be created by the team. During the tour an inanimate object will show signs of life, and will give the wrong explanation about something and will give a creative explanation about why it is important to guard and secure a worthless item.

High School Division – Problem #2 – As Good as Gold...berg: (l-r) 9<sup>th</sup> graders Isabella Brown, McKenzie Robinson, Emily Timkey, Chris Wojtowcz, Sierra DeCahane and Megan Westfall. Missing from photo - Gwen Brown.

Our fifth team is a middle school team coached by Ms. Jane Chew. Her 6<sup>th</sup> grade middle school students chose the problem called “Full Circle” (Problem 5). They will perform a humorous skit where something changes form or appearance three times. It eventually undergoes a final change where it returns to its original form. The team will also have to include a silly character, a very serious character, an original song and dance, and a surprise ending.

The regional competition starts at 8 am and goes until 3 pm. Come join us to see creative minds in action. Teams that place 1<sup>st</sup> or win a lottery spot advance to the state competition on March 26<sup>th</sup> in Binghamton. We wish all our Odyssey of the Mind members and coaches good luck.

# ECS ELEMENTARY HOLDING TWO READING EVENTS

## READ ACROSS AMERICA

We celebrated Read Across America Day in style! On March 2<sup>nd</sup>, we celebrated Dr. Seuss' birthday, focusing on his contributions to reading. Our Parent Teacher Organization, through a generous donation by the Ellicottville Teachers Association, recently purchased a Cat in the Hat costume. This will allow for the Cat in the Hat to make guest appearances each year on March 2<sup>nd</sup>. This year, green eggs and ham will be served for lunch. The classrooms will have fun reading his books, working on special art projects, and writing activities. "Oh the places we'll go!"

## DARIEN LAKE "READ TO RIDE"

We have a great reading opportunity for children in grades K-5. Once again, our school is participating in Darien Lake's "Read to Ride" program. It's easy to participate. For seven hours of recreational reading at home, your child can earn a

one-day admission to Darien Lake. Once your child has finished reading a piece of literature, please record the title, the author, and the amount of time read, on the chart that was sent

home. Reading material can include books, magazines, and newspapers. Time spent reading aloud with an adult or being read to by an adult can also be counted. Once the goal is reached, send the form back to school with your signature. The classroom teacher will then initial the chart and forward it to Mrs. Donoghue and Ms. Olson. This pass is valid for both the amusement park and the water park. The passes will be distributed at the end of the year and are valid for the month of July. All "Student Tracking Charts" must be turned in by **Friday, March 25, 2011**. Have fun reading!

Chris Snyder (right) is shown at the pep rally with his proud parents, James and Cyndi Snyder.

## *Chris Snyder Named* NATIONAL MERIT FINALIST

At the ECS pep assembly on February 11, 2011, it was announced that Chris Snyder has been named as a finalist in the National Merit Scholarship Program. Chris started his journey in this program in October 2009, when he took the PSAT/NMSQT (Preliminary SAT / National Merit Scholarship Qualifying Test). In April 2010, Chris was notified that, based on his performance on this test, he was among the 50,000 highest scoring participants of approximately 1.5 million entrants across the United States.

In September, Chris found out that he was among the 16,000 semifinalists in the nation. Early in February, ECS was notified that Chris had advanced to the status of finalist; a select group of only 15,000 students nationwide. To put his achievement into perspective, please consider that Chris is within the top 1% of all students that took this exam in the entire country! Great job, Chris!

## KEEPING UP WITH THE PTO

**BOX TOPS:** The PTO will be mailing out the next shipment of Box Tops very soon! We have used money from the Box Tops this year to buy prizes for the Dime Carnival and we will also use the money to buy this year's Field Day prizes. Thank you to everyone who continues to send them in. The PTO greatly appreciates each and every Box Top that is brought in!

## CAREER TECH CORNER

Ellicottville Center BOCES Automotive Technology seniors, Jessica Gebauer and Tonja Saucier, competed in the annual "Trouble Shooting" competition held at Erie Community College. At the competition a 2011 Chevy Nova was bugged with 10 or more problems and the students had to find and fix them within an allotted time period. Both young women received numerous compliments from the judges for their impressive skills and knowledge.

The juniors in the Criminal Justice class at the Ellicottville Career and Technical Center BOCES go through six weeks of training to learn about Blood Alcohol Content, absorption, probable cause and officer safety among other aspects of patrol. The students train with authentic duty belts that are fully equipped with handcuffs, flashlights and a training sidearm. The patrol unit culminated with a simulated DWI Field Sobriety Check and Felony stop utilizing a Village of Portville patrol car.

The Early Childhood Education class at the Ellicottville Career and Technical Center BOCES has partnered with Ellicottville Central School to allow senior interns to go into elementary and middle school classrooms to work with students and teachers. These Early Childhood Education interns help the teachers with preparations, lessons and assistance. Instructor Michelle Steinbroner says that the experience has been very positive for her interns, the teachers and children in the classroom.

Katlynn Paprocki has been assisting Mrs. Lechner with Art class.

### KINDERGARTEN REGISTRATION

If you have a child who will be 5 years old on or before December 1, 2009, who will be attending Ellicottville Central School District, please contact the elementary office at 699-2318.

The annual ECS Kindergarten screening is scheduled for **March 22<sup>nd</sup>, 23<sup>rd</sup> and 24<sup>th</sup>**. You will need to bring your child's birth certificate, health and immunization records and social security card to the screening.

Please call the elementary office at 699-2318 to schedule your appointment for the Kindergarten Screening. We are looking forward to seeing everyone at screening. We have some fun activities planned for our youngest ECS students!

### SIXTY ECS MUSIC STUDENTS TAKE PART IN SOLO FESTIVAL

Over the last four months students all around the county have been preparing solos on their instruments and voices in grades 5<sup>th</sup> – 12<sup>th</sup> to perform at the yearly Cattaraugus County Solo Festival held at Allegany-Limestone Central School on Saturday, January 29<sup>th</sup>.

Mrs. Waldron, Mrs. Weller and Mrs. Wilder accompanied 60 students from Ellicottville Central School to participate in this exciting event. Our students prepared an individual solo, memorized scales and worked diligently on sight-reading and sight-singing skills. Each student had a given time to perform for one judge and was given comments on their performance and an overall score. Students in 9<sup>th</sup> – 12<sup>th</sup> had the opportunity to be selected in the upcoming Senior High All-County depending on their score.

All ECS students did a wonderful job and we are very proud of them!

## YEARBOOK NEWS

*The yearbook will be here before you know it. Are these pictures in it?*

- You need to prepay for a yearbook to ensure you get one. The books are \$50 and you need to put down at least \$10 to reserve one. You may turn the money in to Mrs. Bauer. If you don't reserve a book you'll only be able to get one if there are any left after all reserved ones have been claimed or a week after the books come in. Yearbooks are scheduled to come a little earlier this year so the final prepayment date has been moved up to May 16<sup>th</sup>.
- You may purchase old yearbooks while supplies last. 2010's book is \$30. Books from previous years are \$10 apiece, while supplies last.
- The fundraiser has been completed. If you sold candy see Mrs. Bauer to find out the balance you owe for a yearbook. Any credit for selling candy counts as a down payment for the yearbook, reserving you a copy once you have completed payment.

## ONE SEAT UP ON SCHOOL BOARD

One seat on the Ellicottville Central School Board of Education will be expiring at the end of this school year (June 30, 2011).

Nominating petitions for the Ellicottville Central School District Board of Education are now available.

An election will be held on Tuesday, May 17, 2011 to fill the seat currently held by board member Mrs. Linda McAndrew.

By 5:00 pm on Monday, April 18, 2011 each candidate must file with the District Clerk a nominating petition containing the signatures and legal addresses of at least 25 qualified voters living in the Ellicottville Central School District.

A qualified voter must be a United States citizen, be at least 18 years of age, and a district resident for 30 days prior to the election, with their current address on the nominating petition.

To qualify as a candidate, one must be a qualified voter and a district resident for one year immediately prior to the election.

The candidate receiving the highest number of votes will serve a five-year term, beginning on July 1, 2011 and expiring on June 30, 2016.

Nominating petitions are available in District Office, between the hours of 8:00 am-3:00 pm (Monday-Friday) when school is in session.

## BOYS' MODIFIED BASKETBALL TEAM FINISHES SEASON MUCH IMPROVED

**By Coach Keenan**

The boys' modified basketball team has wrapped up its season after working hard to develop their skills and teamwork. They have played the toughest schedule in years as six of their 10 games have been played against teams from Olean, Allegany-Limestone and Portville. In the second outing against each of these schools, the boys showed a marked improvement over their first games.

The boys have split their games with schools our size, as we defeated North Collins 21-20 and lost to West Valley 37-36. The boys then lost at North Collins, but finished their season on a winning note defeating Franklinville 34-30. Maybe the most impressive statistic is that every one

of the boys that played this year scored some points throughout the season.

The 7<sup>th</sup> grade modified team is made up with the following players: Nick Delity, Tommy Easton, Cameron Eddy, Alex Fisher, Jonas Hurlburt, Cameron Lamphier-Miller, Cole Lapi, Gaege Morris, Caleb Rinko, Robert Sawicki Jr., and Dylan Sherman.

The 8<sup>th</sup> grade team consists of: Kevin Bower, Eddie Button, Derick Cuozzo, Alex Delity, Connor Schmick and Calum Watt. Nate Dunkleman started the year with us but was unable to play and was greatly missed.

I have enjoyed working with these boys and watching them grow as individuals and as a team.

## *Fueling Up On* **ACTIVITY & GOOD NUTRITION**

**By Gail Kaminski**

This year's seventh grade Home and Career Skills "team players" have proved they are winners on two playing fields.

The players have been participating in the Fuel Up To Play 60 program. This is a school wellness program from the National Dairy Council, our local Dairy Council, U.S. Department of Agriculture, and the NFL. The long-term goal of this program is to engage and inspire the players to take control of their health and wellness. In addition it challenges the players to team-up healthy eating and physical activity, to academic achievement. Some research studies show that physical activity before an academic setting can improve player scores. The ECS Fuel Up To Play 60 players won the challenge!

Players brainstormed ways to merge physical activity with good nutrition. The result was the "Cone Walk"! Players filled ice cream cones with fruits and low-fat cheese cubes. They then ate their nutrition-cones as they walked around the track. Players were rewarded for this winning walk by receiving mini-*Buffalo Bills*

helmets. "Go ECS! Great job team!"

This however is not the only winning accomplishment for the players. In addition to proving they have what it takes to succeed on the field of nutrition and physical activity, they also proved themselves on the field of safety.

After several weeks working on com-

pleting all skills and requirements for the American Red Cross, the players also succeeded in receiving their babysitter's training cards. They are now better prepared to care for children with health and safety as their winning goal.

The players deserve their winning double-header!
