

Special Areas – 4th Grade

Dear Parents,

This page contains work from your child's Special Area teachers at Ellicottville Central School, to be done in case of an emergency school closure. This work includes simple tasks for each subject area that your child should be working on as part of their virtual learning experience, in addition to their core classes.

See below for assignments to complete while students are learning remotely.
Please try to aim for one (1) special area assignment per day of remote learning.
