

## English 3rd Grade CCSS Vocabulary Word List

**Revised 5/13/13**

|  |
|--|
| a.m.                                   |
| add                                    |
| addend                                 |
| Additive Identity Property of 0        |
| algorithm                              |
| analog clock                           |
| angle                                  |
| area                                   |
| area model                             |
| arithmetic patterns                    |
| array                                  |
| Associative Property of Addition       |
| Associative Property of Multiplication |
| attribute                              |
| bar graph                              |
| bar model                              |
| base-ten numeral form                  |
| base-ten numerals                      |
| centimeter                             |
| closed shape                           |
| column                                 |
| Commutative Property of Addition       |
| Commutative Property of Multiplication |
| compare                                |
| compatible numbers                     |
| compose                                |
| counting number                        |
| customary system                       |
| data                                   |
| decagon                                |
| decompose                              |
| denominator                            |
| difference                             |
| digit                                  |
| digital clock                          |
| Distributive Property                  |
| divide                                 |

## English 3rd Grade CCSS Vocabulary Word List

**Revised 5/13/13**

|                           |
|---------------------------|
| dividend                  |
| divisor                   |
| eighths                   |
| elapsed time              |
| endpoint                  |
| equal                     |
| equal groups              |
| equal parts               |
| equation                  |
| equivalent fractions      |
| estimate                  |
| even number               |
| expanded form             |
| experiment                |
| expression                |
| fact family               |
| factor                    |
| foot                      |
| fourths                   |
| fraction                  |
| fraction greater than one |
| fraction less than one    |
| frequency table           |
| gram                      |
| greater than              |
| half hour                 |
| halves                    |
| hexagon                   |
| horizontal bar graph      |
| hour                      |
| hundreds                  |
| inch                      |
| intersecting lines        |
| interval                  |
| inverse operations        |
| key                       |
| kilogram                  |

## English 3rd Grade CCSS Vocabulary Word List

**Revised 5/13/13**

|                                       |
|---------------------------------------|
| length                                |
| less than                             |
| line                                  |
| line plot                             |
| line segment                          |
| liter                                 |
| mass                                  |
| meter                                 |
| metric system                         |
| midnight                              |
| minute                                |
| multiple                              |
| Multiplicative Identity Property of 1 |
| multiply                              |
| noon                                  |
| number line                           |
| numerator                             |
| octagon                               |
| odd number                            |
| ones                                  |
| open shape                            |
| order                                 |
| Order of Operations                   |
| p.m.                                  |
| parallel lines                        |
| parallelogram                         |
| parentheses                           |
| partition                             |
| partitive division                    |
| pattern                               |
| pentagon                              |
| perimeter                             |
| perpendicular lines                   |
| picture graph                         |
| place value                           |
| plane figure                          |
| point                                 |

## English 3rd Grade CCSS Vocabulary Word List

**Revised 5/13/13**

|                      |
|----------------------|
| polygon              |
| product              |
| quadrilateral        |
| quarter hour         |
| quotative division   |
| quotient             |
| ray                  |
| reasonableness       |
| rectangle            |
| rectilinear figure   |
| regroup              |
| related facts        |
| repeated addition    |
| repeated subtraction |
| rhombus              |
| right angle          |
| round a whole number |
| row                  |
| scale (on a graph)   |
| side of a polygon    |
| sixths               |
| skip count           |
| square               |
| square unit          |
| standard form        |
| subtract             |
| sum                  |
