

# ECS Hybrid-Model Lunch Period Explanation

Welcome Back! As we open school for this year, we have a brand new bell schedule to serve campus needs related to social distancing and the hybrid model of instruction.

This was difficult to import into PowerSchool (the software that holds everyone’s schedules and grades). For instance, you might not have a lunch on your schedule, but have no fear – everyone has a lunch!!

Period 3/7 are actually two hours long, and are broken into smaller periods. Each one has staggered periods and lunch times, as outlined on the back of this flyer. To help everyone figure out their schedule, here is a breakdown of the grade levels and classes that need to follow the various lunch schedules in the Middle/High School.

## Breakdown of Periods 3 & 7 by Grade

**When in doubt, head to the HS Gymnasium for our large study hall supervision area. This is a socially distant location to have questions answered and obtain help if you are unsure where to report.**
