

ECS Updated COVID Numbers – 12/14/2021

Dear ECS Community,

I'm sharing updated information related to how COVID is continuing to impact ECS.

Last week on Tuesday (**12/7**) we had 11 active cases of COVID; 8 students and 3 staff members.

Today (**12/14**) we have 5 active cases of COVID; 4 students and 1 staff.

Regarding quarantines, today we have 13 individuals on active quarantine. Please know that not all of the quarantines are due to contacts at the school; some are the result of community or family contacts. In addition, the County is still in the process of tracing some of our positive cases, and the number of individuals on quarantine **may increase**, but we may also have others coming off the quarantine list throughout the week.

Please keep in mind that these numbers only represent a snapshot in time. They can and will change as we move forward.

We will strive to keep you informed as we move forward.

Thank you.

Bob Miller
