

ECS Updated COVID Numbers – 12/21/2021

Dear ECS Community,

I'm sharing updated information related to how COVID is continuing to impact ECS.

Last week on Tuesday **(12/14)** we had 5 active cases of COVID; 4 students and 1 staff member.

Today **(12/21)** we have 3 active cases of COVID; 3 students and 0 staff.

Regarding quarantines, as of today we have 19 individuals on active quarantine. Please know that not all of the quarantines are due to contacts at the school; some are the result of community or family contacts. In addition, the County is constantly in the process of tracing both school and non-school cases, and the number of individuals on quarantine **may increase or decrease accordingly** throughout the week.

Please keep in mind that these numbers only represent a snapshot in time. They can and will change as we move forward.

We will strive to keep you informed.

Please be advised that we will **NOT** be posting a report on Tuesday, December 28th as the school will be closed for Winter Break. The next report will be released on Tuesday, January 4, 2022.

Thank you.
Bob Miller
